## STAINLESS STEEL CLEANER Spray

### High performance Stainless Steel Cleaner in aerosol form

#### Product Overview

ROCOL® STAINLESS STEEL CLEANER Spray is supplied in an aerosol can for convenient and controlled application.

STAINLESS STEEL CLEANER Spray is a highly effective metal surface cleaner and polisher which removes greases, oils and general grime from most metal surfaces and is particularly effective on stainless steel commonly found throughout the food, pharmaceutical, and other clean industries.

STAINLESS STEEL CLEANER Spray leaves a clean, smear free, polished surface.

STAINLESS STEEL CLEANER Spray is acceptable as a metal cleaner and polisher for non-food contact surfaces (NSF A7) in and around food processing areas. All products and packaging materials shall be removed or carefully protected prior to usage.

#### Features and Benefits

- STAINLESS STEEL CLEANER Spray is an effective metal surface cleaner and is particularly suitable for stainless steel.
- STAINLESS STEEL CLEANER Spray leaves a clean, smear free, polished surface.
- STAINLESS STEEL CLEANER Spray can be used in and around food processing areas making it ideal for cleaning and polishing stainless steel panels commonly found throughout the food, pharmaceutical, and other clean industries.

#### Directions for Storage and Use

- Shake aerosol well before use.
- Test compatibility with painted or coated surfaces prior to application.
- Apply from a distance of 15 – 30 cm.
- Allow sufficient time for the cleaner to penetrate the contamination (typically 15 seconds).
- Wipe the surface clean with a lint free cloth.
- For stubborn contamination and heavy grease deposits re-application, or an initial clean with a solvent degreaser, may be required.
- ROCOL REMOVER & DEGREASER Spray (NSF C1), INDUSTRIAL CLEANER Rapid Dry Spray (NSF K1) or ELECTRA CLEAN Spray (NSF K2) can all be used for initial cleaning depending on the environment where they are being applied.
- Use only in well ventilated areas and do not apply to very hot surfaces.
- Store below +50°C, out of direct sunlight.
- Shelf life is 2 years from date of manufacture.

#### Specifications

- STAINLESS STEEL CLEANER Spray does not contain: animal derived materials, nut oils or genetically modified ingredients.
- STAINLESS STEEL CLEANER Spray is manufactured from only FDA listed ingredients.
- NSF Nonfood Compounds Program listed:
  - Category code A7, Registration 149237
