Tutte le contropiastre vengono fornite allo stato grezzo di lavorazione (non trattate superficialmente), per favorire il loro fissaggio al carrello a mezzo saldatura.

All counterplates are supplied as rough pieces (without any surface treatment) to make it easier to weld them on the trolley.

Toutes les contre-plaques sont fournies à l'état brut d'usinage (à savoir non traitées superficiellement) pour garantir une meilleure fixation au chariot par soudage.

Alle Gegenplatten werden in Rohteilzustand geliefert (ohne Oberflächenbehandlung), um deren Schweissbefestigung am Wagen zu begünstigen.

Todas las contraplacas se suministran el estado bruto (sin tratamiento superficial) para favorecer su fijación al carro mediante soldadura.

Todas as contraplacas são fornecidas no estado bruto de usinagem (não tratadas superficialmente), para favorecer a fixação das mesmas no carrinho por meio de soldadura.
